BGH-Urteil) sowie Schwarzsurfen in fremden Netzwerken sowie die Risiken der WLAN-Nutzung. , Abstract: Since using private WLAN networks has been established the legal situation was often negotiated under German jurisdiction. This homework approaches the risks of private Wireless LAN usage and the juridical consequences. Especially the liability for violations of third people is a common issue in terms of the liability for interference. Usually copyright violations lead to high compensation requests for network operators. In the last few years many lawyers specialized in admonishing copyright violators what is often called admonishing industry. This practice is often criticized because it's not clear to which extent operators are responsible for foreign violations. But also the access on foreign networks without the operator's consent was an often negotiated issue....
