Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Leading Cases in Constitutional Law: Briefly Stated, With Introduction and Notes An explanation of the design of this work will be found in the following paragraphs, which are here repeated from the Author s Preface to the First Edition. Some knowledge of the chief cases in Constitutional Law is now required in many examinations, and is obviously necessary to the thorough student of our constitutional history. Yet there has existed no book briefly setting out the main principles decided in these cases, which are scattered through many volumes, and buried in prolix reports. Even Dr. Broom s book, although, in spite of its thousand pages, it is the nearest approach to anything of the kind, lacks the brevity and conciseness which are so necessary for the student.
