Reviews

It is really an incredible publication which i actually have possibly read through. It really is written in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jodie Wehner)

KASPAR AND OTHER PLAYS

[DOWNLOAD](#)

Hill & Wang. Paperback / softback. Book Condition: new. BRAND NEW, Kaspar and Other Plays, Peter Handke, Michael Roloff, "Kaspar," Peter Handke's first full-length drama--hailed in Europe as "the play of the decade" and compared in importance to "Waiting for Godot"--is the story of an autistic adolescent who finds himself at a complete existential loss on the stage, with but a single sentence to call his own. Drilled by prompters who use terrifyingly funny logical and alogical language-sequences, Kaspar learns to speak "normally" and eventually becomes creative--"doing his own thing" with words; for this he is destroyed. In "Offending the Audience" and "Self-Accusation," one-character "speak-ins," Handke further explores the relationship between public performance and personal identity, forcing us to reconsider our sense of who we are and what we know.
