Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

EPICO BAYOU

Loblolly Writer's House. Paperback. Book Condition: New. na (illustrator). Paperback. 310 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. Charlsie Russells newest novel is a romantic mystery set against the founding of the Mississippi Gulf Coasts premier port city, Gulfport, at the close of the 19th century. In 1897, the grand old man Lionel Augustus dies and, much to the chagrin of his greedy siblings, leaves the bulk of his significant estate to his illegitimate son and beloved step-daughter, with one stipulation: they wed. For reasons of their own, the two agree to marry, sight unseen, but only days after her marriage by proxy to Deputy Sheriff Clay Boudreaux of Galveston County, Texas, Olivia Lee learns her husband has died in a house fire and her extended family intends to contest the will. Exacerbating her situation, a stranger, claiming to be the dead Clay, but who her family warns is Clays older brother Troy, invades Olivias opulent home and accuses her of hiring Troy to kill Clay. . . and yet another henchman to eliminate Clays killer. Olivia and the invader, whoever he might be, have sound reasons for confusing their roles in the plot to murder Clay Boudreaux, reasons dealing with duty, justice, and survival. Neither is sure of the role the other plays in the Machiavellian plan of Lionels siblings, nor is it clear that Lionels brother and sister are the only subversives working to sabotage the terms of Lionels will. So great is the present danger it overshadows the dark secret driving Lionels bizarre stipulation that Clay and Olivia wed in the first place. Charlsie Russells third novel is both a romantic charade and a compelling mystery, pitting the wit and will of one wary lover against the honor and sheer determination of the other, even while the sinister...
