Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

Red Deer College Press, Canada. Hardback. Book Condition: new. BRAND NEW, The First Flute, David Bouchard, Don Oelze, Names should be respected. They should be valued. They should be honoured. "When a name is given to an adult, it is often given based on the life that person has lived. The name is a statement about the person he or she has become. ""When a name is given to a child, it foretells what kind of a person that child will become. If a child is given the name He Who is Kind to Strangers, that child is destined to live a life of kindness. I know this to be true because I once knew a kind man who as a child was given that name." " "In "The First Flute," David Bouchard tells the story of a young man given the name Dancing Raven. He was a dancer - the best from all the nations. But the other men and boys in his village don't appreciate Dancing Raven's talent - hunting, fishing and tracking are the truly important talents. Dancing Raven must prove to his village the importance of his song. Includes a cd with a reading of the story as well as music from Jan Michael Looking Wolf, a native flute player from Oregon."
