Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The World Classic Novel Complete new Edition The Last of the Mohicans A Narrative of 1757 by James Fenimore Cooper The Last of the Mohicans: A Narrative of 1757 (1826) is an historical novel by James Fenimore Cooper. It is the second book of the Leatherstocking Tales pentalogy and the best known to contemporary audiences. The Pathfinder, published 14 years later in 1840, is its sequel. The Last of the Mohicans is set in 1757, during the French and Indian War (the Seven Years War), when France and Great Britain battled for control of North America. During this war, both the French and the British used Native American allies, but the French were particularly dependent, as they were outnumbered in the Northeast frontier areas by the more numerous British colonists. According to the Encyclopedia of Media and Propaganda in Wartime America, the novel has been one of the most popular novels in English since its publication and it remains widely read in American literature courses. It has been adapted numerous times and in different languages for films, TV movies and cartoons. At the time of Cooper's writing, many people believed that the Native Americans were disappearing, and would ultimately be assimilated or fail to survive. Especially in the East, their numbers continued to decline. At the same time, the author was interested in the period of the frontier of transition, when more colonists were increasing pressure on the Native Americans. He grew up in Cooperstown, New York, which his father had established on what was then a western frontier of settlement; it developed after the Revolutionary War. Cooper set this novel during the Seven...
