## THE VIKINGS (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a concise but comprehensive history of the age of the Vikings. Over the centuries, the West has become fascinated by the Vikings, one of the most mysterious and interesting European civilizations. In addition to being perceived as a remarkably unique culture among its European counterparts, what s known and not known about the Vikings accomplishments has added an intriguing aura to the historical narrative. Were they fierce and fearsome warriors? Were they the first Europeans to visit North America? It seems some of the legends are true, and some are just that, legend. From the intro: THE term Viking is derived from the Old Norse vik, a bay, and means one who haunts a bay, creek or fjord . In the 9th and 10th centuries it came to be used more especially of those warriors who left their homes in Scandinavia and made raids on the chief European countries. This is the narrow, and technically the only correct use of the term Viking, but in such expressions as Viking civilisation, the Viking age, the Viking movement, Viking influence, the word has come to have a wider significance and is used as a concise and convenient term for describing the whole of the civilisation, activity and influence of the Scandinavian peoples, at a particular period in their history, and to apply the term Viking in its narrower sense to these movements would be as misleading as to write an account of the age of Elizabeth and label it The Buccaneers. It is in the broader sense, that the term is employed in the present manual. Plundering and harrying form but one aspect of Viking activity and it...
