Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Scattered Leaves From a Physician s Diary Learning how to wait is the initiatory experience in the career of every physician. During my apprenticeship to patience as a novitiate in medicine, time passed slowly, and I applied myself assiduously to the study of complicated diseases, which will occur perhaps once, if at all, in the professional life of a busy physician. The ordinary diseases, like dyspepsia, bronchitis, colic, and even toothache, were dismissed without even a moiety of attention. Much to my sorrow, I soon learned that only the rich and influential physician could afford to diagnose an obscure disease and call it by its technical term. If an unknown physician diagnoses a case of toothache, he tells the sufferer it is toothache, but the opulent consultant is privileged to call it odontalgia, and regulates his honorarium accordingly. Soon I got to be very busy practicing economy, and I purchased a book, entitled How to Live on Five Dollars a Week. I found the book eminently practical, and could have followed its precepts very comfortably...
