The purpose of this document is to amass the past decade of fire fighting HHEs in a concise format for easy reference and examination by NIOSH researchers, customers, and partners. Any individual reports or letters of interest can easily be requested. The scope and presentation of the individual HHEs vary based on the requesters needs and the project officers professional judgment. The editors of this document are not at liberty to change the overall findings of each HHE report. The document is not meant to be a state-of-the-art review, but instead, it is intended to provide general insight into the types of fire fighter HHE requests received, and HETAB's response to them.
