

## La Vida Es Un Regalo: Una Mujer Que Pilota Con Mano Firme Su Vida (Paperback)

By Maria De Villota, Maraia De Villota

Plataforma Editorial, United States, 2015. Paperback. Book Condition: New. 220 x 140 mm. Language: Spanish Brand New Book. Maria de Villota is an example of how combining optimism and intelligence may be the best way to cope with rough times in life. Her tenacity, which helped her overcome barriers and grow in the overwhelmingly masculine world of Formula 1, also helped her survive for a year and a half after a tragic race car accident, one that eventually took her life. It is a benchmark of excellence, and her story reminds us of what is important in life, something that is so often forgotten in today's society.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Ally Reichel

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS
