Liturgical Press, United Kingdom, 2010. Mixed media product. Book Condition: New. 198 x 157 mm. Language: English . Brand New Book. The Documentary as seen on PBS. Noted by Google as a best book of 2008A companion to award-winning producer Morgan Atkinson s documentary of the same title, this work draws us into the geographical landscape of Thomas Merton s life in America, a landscape that was intrinsic to his spiritual journey. Containing a considerable amount of rich material unused in the documentary, Soul Searching is alive with the narrative of those who either knew Merton well or passionately care about him: Father Daniel Berrigan, Rosemary Ruether, Martin Marty, Paul Elie, and many others. Their insights are linked to the places from the Abbey of Gethsemani to the Redwoods Monastery in California, from New York City to Christ in the Desert Monastery in New Mexico that both nurtured and shaped Merton. The picture that emerges, through both the narrative and vivid photography, is filled with provocative insights into the interior landscape of one of the spiritual giants of modern times.
