Ohio University Press, United States, 2004. Hardback. Book Condition: New. 236 x 162 mm. Language: English . Brand New Book. An Impossible Question From A Chinese Actor - Why is Shakespeare eternal? - drove Sidney Homan after fifty years in the theater to ponder just what makes Shakespeare.well, Shakespeare. The result, Directing Shakespeare, reflects the two worlds in which Homan operates - as a scholar and teacher on campus, and as a director and actor in professional and university theaters. His concern is the entire process, beginning in the lonely period when the director develops a concept and moving into increasingly larger realms: interaction with stage designer; rehearsal; and public performances in which the audience s response further shapes the play. Homan recounts the experience of staging King Lear accompanied by a musical score for piano, violin, and cello played live onstage. He discusses the challenge of making and trying to justify cuts in Hamlet. A casual remark from an actress leads to a feminist production of A Midsummer Night s Dream. He describes the delicate collaboration between director and performer as he works with actors preparing for The Merchant of Venice, King Lear, and Hamlet. Other chapters treat a set designer s bold red drapes that influenced the director s concept for Julius Caesar and the cross-influence of back-to-back runs of Stoppard s Rozencrantz and Guildentersn Are Dead and Hamlet. In a highly personal concluding chapter, Homan tells of joyously working with a spontaneous young actor playing Puck and with an audience of unruly teenagers who wept at a performance of Lear. Delightfully written, and filled with practical insights, Directing Shakespeare draws together scholars, critics, and those who work to bring the written word to life.
