Canongate Books, Edinburgh, 2005. Paperback. Book Condition: BRAND NEW. Erlend Loe's cult novel Naïve. Super, about a 25-year old who is unable to find any meaning in his life, was a huge success in his native Norway, and a bestseller throughout Europe--and it isn't difficult to see why. The narrator has given up on doing his Masters and gone to stay at his brother's house. His brother is away on business and needs his mail redirecting via fax. Aside from that there is nothing to do. So he makes lists, worries about time, befriends a small boy who lives next door, worries about his good friend and his bad friend and tries to understand what being, and being here and now, means. In mostly very short, sometimes elliptical, wry but never ironic chapters Loe works at his character's fear of the meaningless and works meaning into the slightest of material. This is a beautifully unaffected, funny book, refreshingly free of cynicism, which manages to raise serious existential questions while retaining throughout the lightest of touches and the quirkiest of observations.--Mark Thwaite --This text refers to an out of print or unavailable edition of this title. Troubled by an inability to find any meaning in his life, the 25-year-old narrator...
