# THE PICTURE OF HEALTH: MEDICAL ETHICS AND THE MOVIES

Oxford University Press, USA. Paperback. Book Condition: New. This item is printed on demand. Paperback. 560 pages. Film and literature have long been mined for interesting examples and case studies in order to teach biomedical ethics to students. This volume presents a collection of about 80 very brief, accessible essays written by international experts from medicine, social sciences, and the humanities, all of whom have experience using film in their teaching of medical ethics. Each essay focuses on a single...
