By Joshua M. Greene

Prentice Hall (a Pearson Education Company), United Kingdom, 2001. Paperback. Book Condition: New. Touchstone ed.. 208 x 140 mm. Language: English . Brand New Book. Fifty-five years after the end of World War II, the Holocaust continues to cast a dark shadow. For the past two decades, the Fortunoff Video Archive at Yale University has sought to preserve the human side of this inhuman era by videotaping testimonies from those who lived through the Nazi regime, a project that has led to an acclaimed documentary film and this extraordinary book. Fifty-five years after the end of World War II, the Holocaust continues to cast a dark shadow. For the past two decades, the Fortunoff Video Archive at Yale University has sought to preserve the human side of this inhuman era by videotaping testimonies from those who lived through the Nazi regime, a project that has led to an acclaimed documentary film and this extraordinary book. The Wall Street Journal called the documentary eloquent and unsparing, and Daily Variety said it was a staggeringly powerful record. The Washington Times said that Witness gives new meaning to the term documentary. [It is] as pure a document as I have ever seen on...
