Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Real Estate: Passive Income is the book to read if you want to learn how to build a property investment portfolio and earn a good income. The book will dispel the myth that real estate investment is easy; it takes hard work, patience and dedication. It will also help you to understand how the real estate market works and learn when and how to make the right purchases to ensure your portfolio continues to build. The book is laid out into seven distinct chapters; it will teach you what real estate investment is and how, you, can get started today and build a real estate empire in a relatively short space of time. Each chapter deals with a specific area of Real Estate investing and will become an essential part of your daily routines: - You will learn what real estate investing really is and how it is possible for anyone to start investing now! - You will discover the wide range of finance methods which you will need to get you started in the business; many of these finance options are not known about by the general public. - You will learn about the different real estate investment types and how to choose the right one to invest in. The choice will depend upon your own goals and where you are in your plan. - You will be shown how to build your property investment portfolio to create a passive income; which will allow you to have wealth and security. This will free you to undertake personal projects. The book will guide you through the world of property developments and the best way to...
