## ENDER S GAME AND PHILOSOPHY: GENOCIDE IS CHILD S PLAY (PAPERBACK)

[DOWNLOAD](#)

Open Court Publishing Co ,U.S., United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Ender s Game, Orson Scott Card s award-winning 1985 novel, has been discovered and rediscovered by generations of science fiction fans, even being adopted as reading by the U.S. Marine Corps. Ender s Game and its sequels explore rich themes -- the violence and cruelty of children, the role of empathy in war, and the balance of individual dignity and the social good -- with compelling elements of a coming-of-age story. Ender s Game and Philosophy brings together over 30 philosophers to engage in wide-ranging discussion on issues such as: the justifiability of pre-emptive strikes; how Ender s disconnected and dispassionate violence is mirrored in today s drone warfare; whether the end of saving the species can justify the most brutal means; the justifiability of lies and deception in wartime, and how military schools produce training in virtue. The authors of Ender s Game and Philosophy challenge readers to confront the challenges that Ender s Game presents, bringing new insights to the idea of a just war, the virtues of the soldier, the nature of childhood, and the serious work of playing games.
