Reviews

Very useful to any or all type of people. This is certainly for those who statte there was not a worth reading through. You can expect to like how the writer write this pdf.

(Dr. Rashawn Lang)

EUROPES CLASSICAL BALANCE OF POWER: A CASE HISTORY OF THE THEORY AND PRACTICE OF ONE OF THE GREAT CONCEPTS OF EUROPEAN STATECRAFT

W. W. Norton & Company. Paperback. Book Condition: New. Paperback. 352 pages. Dimensions: 7.7in. x 5.2in. x 0.8in. A lucid explanation of a phenomenon that students of international relations only too often are content to treat in generalities. Edward H. Buehrig, Indiana University, in American Political Science Review What was the origin of the idea of the balance of power How did European leaders apply its principles in actual practice Widespread as the term balance of power has been, and vital as its principles have been in European statecraft, nevertheless study of its theory and practice has often been neglected by historians. A more complete understanding of the concept is arrived at in Edward Vose Gulicks well-knit examination of the two questions posed above. Throughout the book, the events of history and the diplomatic struggle as played out by statesmen are related to balance-of-power theory as conceived by political scientists. Europes Classical Balance of Power brings into the spotlight of scholarly attention an idea that has demonstrated great vitality in times gone by, that has worked behind the scenes in the conclaves of power, and that, under another name, has survived to influence twentieth-century diplomacy. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
